

Company delighted as Emma rejoins

EMMA Caver's has rejoined Robert Ellis after working for a corporate estate agent for a year.

The company has employed two new sales negotiators since the beginning of the year – Emma joined at the beginning of February.

Mark Philpott, of Robert Ellis, said:

“Emma lives locally and has immense experience of the Long Eaton market. We are very pleased she is returning.”

Emma worked for Robert Ellis's Beeston office for ten years after joining as an office junior from school.

She said: “I am really pleased to be rejoining Robert Ellis at their Long Eaton branch.

“I will be supporting Mark Philpott and the rest of the team in making sure we provide the highest level of service to the buyers and sellers we deal with”.
