

# Sales prompt recruitment drive

RESIDENTIAL sales at Robert Ellis Estate Agents have seen an increase of more than 30 per cent year on year and with this increase in business has come a recruitment drive.

New appointments have been made at all three of the company's sales offices - Long Eaton, Beeston and Stapleford.

Joining the Stapleford branch this month is Debbie Marlow.

Debbie has 16 years experience of working for a corporate estate agent in Nottingham and lives locally so knows the West Nottingham area well.

She said: "I am looking forward to getting involved with an estate agency business that operates with traditional estate agency values."

Returning to the company are Caroline Gregory and Karan Simpkins. Caroline will have the dual role of being involved with both sales and letting within the Long Eaton branch of the company. She

said: "I look forward to working with the Long Eaton team and directors of the business to develop all areas of Robert Ellis as we see a continual improvement within the residential property market".

**NEW JOBS:**  
Robert Ellis new recruits, Debbie Marlow, Caroline Gregory and Karan Simpkins

Karan previously worked for Robert Ellis at weekends during the 1990s and over recent years she has worked in the education system, but she is now looking forward to picking up where she left off and developing a career back in the property sector.

She said: "It is well over ten years since I worked at Robert Ellis and it is great to return to such a vibrant local company.

"I live in Beeston so know the local neighbourhood well and I cannot believe how a company can retain so many experienced staff - there are so many people still working in the business who were here when I last worked for the company.

"I am sure with the improving market there will be exciting times ahead".
